NEWSLETTER OF THE  
ARMANDS BEACH LEISURE GROUP  
No. 100 AUTUMN 2018

Those destructive people who destroyed Council's new Armands Beach sign must have been very disappointed when the powers to be shone greatly upon us to bless us with the most perfect autumn day one could wish for on our Fun in the Sun Day. Though we had no increase in crowd numbers on last year, we were fortunate that there were more younger people in attendance, especially children. Nudism still goes on!

It was great to see faces that come every year plus the many new faces joining in. The gang from River Island and the ACT Nudist Club make our day a very successful event. Ann did a wonderful job as MC for the day and with some different events this year which kept everyone participating. Thanks Ann for your effort. The prize winners are too numerous to list individually in this newsletter. The winner of the fun run was Fabian and the winners of the Harbourview Motel prize were Toni and Steve. Congratulations to all prize winners on the day. It was so good to watch the young lady who thought the fun run was too long so she dived in and had a surf, joining the run on the home straight. Jim has some excellent photos of the day.

21 events were held and during the long lunch break a run around with the bucket raised \$300.35 for the Bermagui Surf Lifesaving Club. Thanks all. This year, in the absence of Rob our usual lifesaver, we had first timers to a Fun in the Sun Day Andrew and Bruce who enjoyed themselves so much they have booked themselves for next year's event.

Lastly we must not forget our sponsors as without them the day would not be so much fun. They were 777 Supermarket & Deli, Harbourview Motel, Bermagui Pharmacy, TAN Magazine, ACT Nudist Club and Jim Earnshaw.

Two little tackers were lying on stretchers outside an operating room.  
The first kid leant over and asked, "What are you having done to you?"  
"I'm in here to get my tonsils out and I'm a little nervous," the second kid trembled.  
"I had that done when I was four. They put you to sleep and when you wake up they give you lots of ice cream. It's a breeze."  
The second kid asked, "So what are you here for?"  
"A circumcision," the first child answered.  
"Whoa!" the second kid groaned. "Good luck mate. I had that done when I was born. I couldn't walk for a year."

We have had a great summer for beachgoers, some very hot days, some cooler. Now it is autumn, our Fun in the Sun Day over, the days are getting shorter and cooler but we still have plenty of beach days to enjoy ourselves. Winter is coming with hibernation a great part of it. So everyone come along to the Murrah Hall on Saturday 28th April for an enjoyable night of camp oven cooking by Ian and Thelma plus their wonderful soup. Of course, the fire will be putting out plenty of heat to keep the hall at nude temperature.

The food will all be supplied by ABLG as it is a hot meal. Bring your own drinks and bedding. There is room for a van or two. Breakfast is supplied by us and will be bacon, sausages and eggs (Ian will supply his own Weetbix). Leftovers will be taken to the beach for a picnic, weather permitting. The night is on rain, hail or shine. The cost for this bush B&B and evening meal is \$30 per person.

Let's hope we get as many attend as we did for our High Summer dinner on 17th February. This was one of our best attended nights at the Murrah Hall with some new faces who came along and enjoyed our hospitality and the card games. Most enjoyable to have a yarn or two and welcome newcomers.

Did you notice the number at the top of this newsletter? Number 100. That's 25 years this newsletter has been produced to keep nudists informed about nudist activities at Armands Beach and the Murrah Hall! Could be a reason to have a cake and an extra drink on the 28th April. Doesn't seem like a quarter of a century. Let's hope Armands Beach is still a nudist beach in the year 2100 and the Murrah Hall is still our venue for dinners.
